PROFESSIONAL EXPERIENCE

CREATIVE DIRECTOR - ID3 GROUP 2017 - CURRENT

Creative Director at ID3 Group, a custom fabrication company in the Atlanta area.

I was the lead designer on numerous private and public art installations, managed and art directed custom environment design projects, live events, museum exhibits, interior themed design for corporate and public centers, theme parks, haunted houses, public art displays, pop up events, state monuments, and other custom themed spaces. I work with clients to develop drawings and concepts for their projects and events, and art direct and quality control projects from concept generation through production and install.

Major Projects and Clients include:

Hamilton: The Exhibition, Treasures from Chatsworth: The Exhibition, Sothebys, Twitter VP Lounges, The Savoy Automobile Museum, Kentucky Children's Museum, Tellus Science Museum, The Ron Clark Academy, Toyota, Adult Swim, Pinewood Studios, Kingsmen Group, Rainforest Cafe, Herschend, MCU Studios, Great Wolf, Group Delfi, Push, Czarnowski, Agency 808, Dream-works.

BBC WORLD WIDE 2016 - 2018

Freelance illustrator and concept artist. Created multiple works for the web and social media platforms. Collaborated on concept projects with the BBC DOCTOR WHO design team.

Created illustrations for "The Women of the BBC" book.

Completed portraits for the publication featuring Queen Elizabeth the I, Dr River Song, and Amy Pond from Doctor Who.
